

Examples of Faceted growth morphologies

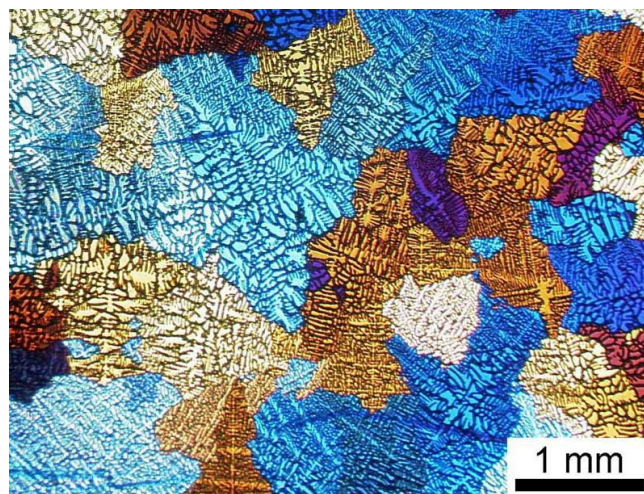

A sapphire nanowire's oscillatory growth

Sapphire nanowires produced using a vapour-liquid-solid (VLS) nanowire growth technique directly on a TEM microscope 'hot stage'.

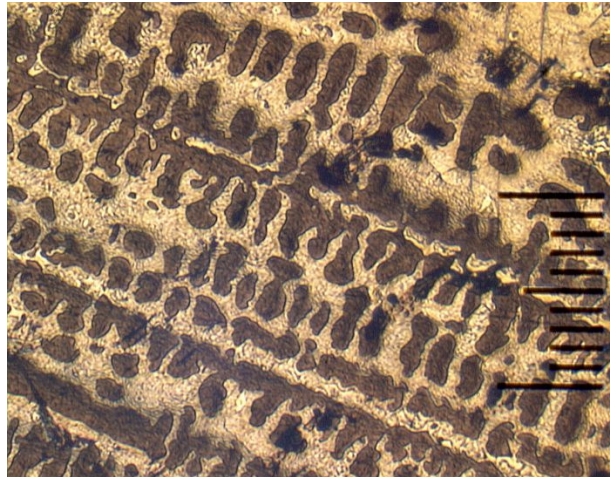

[Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN](#)

Examples of non-faceted growth morphologies

[Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN](#)

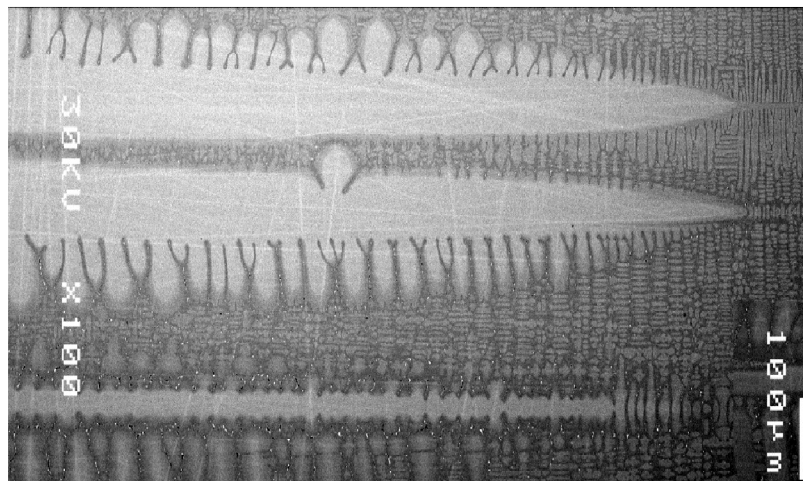

Examples of non-faceted growth morphologies

Non-faceted dendrites in a Pb-Sn solder

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

Non-faceted dendrites in a Ni super alloy

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

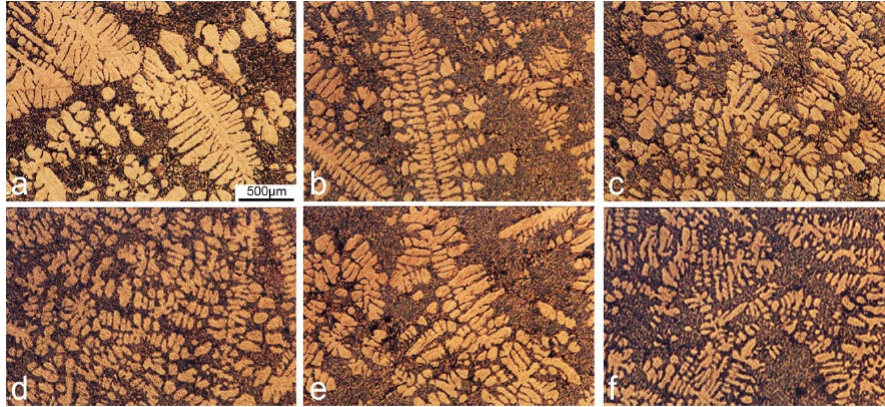

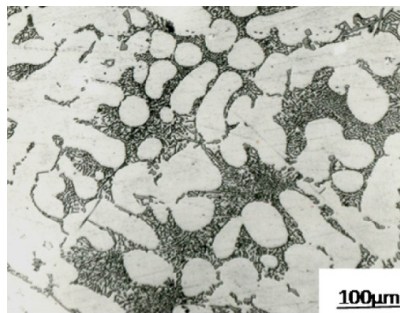

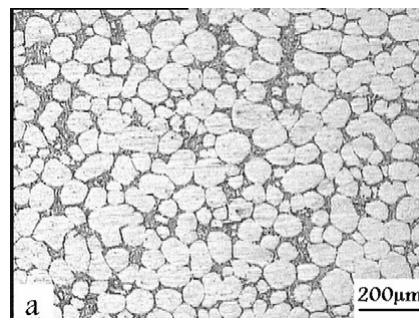

Fig. 1 - Effect of external pressure on the microstructure of squeeze cast LM13 alloy: (a) 0 (atmospheric pressure), (b) 20 MPa, (c) 53 MPa, (d) 106 MPa, (e) 171 MPa, (f) 211 MPa ($T_m = 730^\circ\text{C}$ and $T_d = 200^\circ\text{C}$).

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

Non-faceted dendritic growth of a hypoeutectic Al-Si alloy

Non-faceted non-dendritic growth of a hypoeutectic Al-Si alloy

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

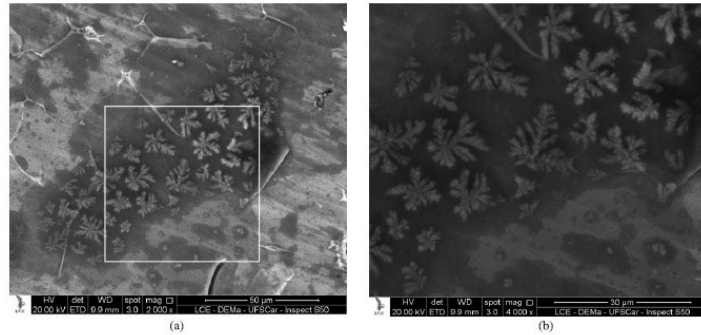

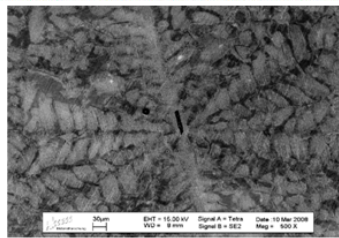

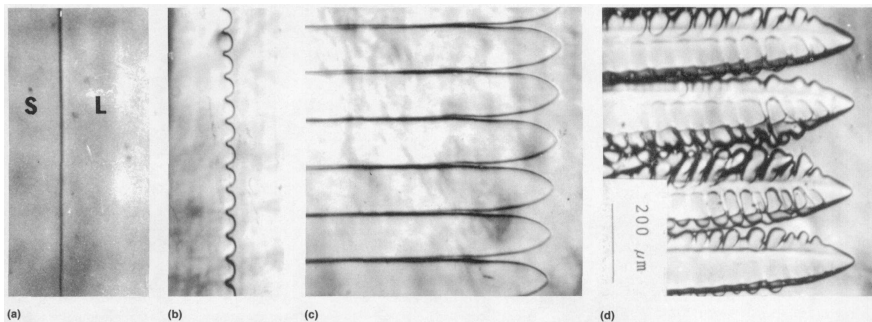

Figure 4. Dendrites presence in as-deposited microstructure (a). Detail of dendrites from white box region (b).

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

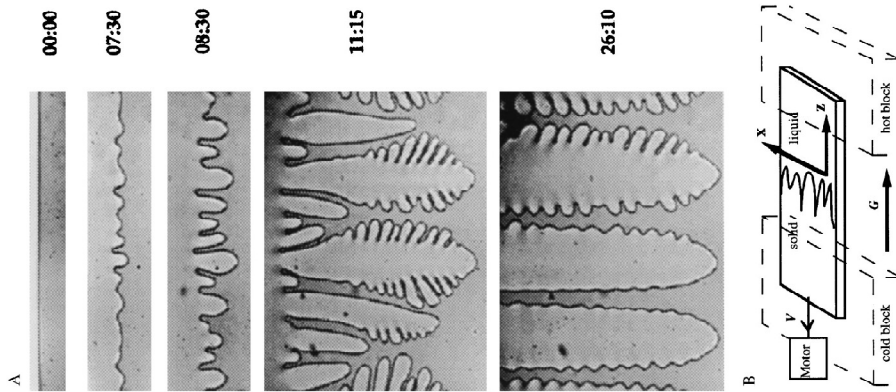

Examples of non-faceted growth morphologies

Non-faceted-interface morphology for SCN crystals

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

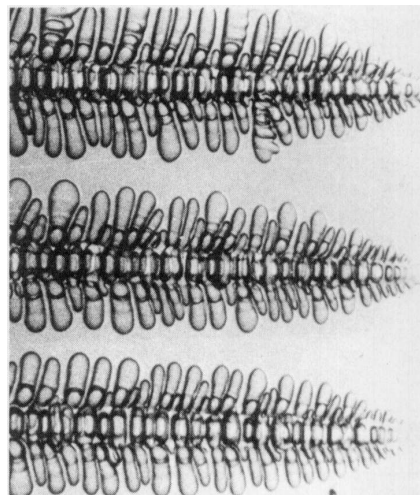

Examples of non-faceted growth morphologies

Non-faceted-interface morphology for SCN-Rhodamine

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

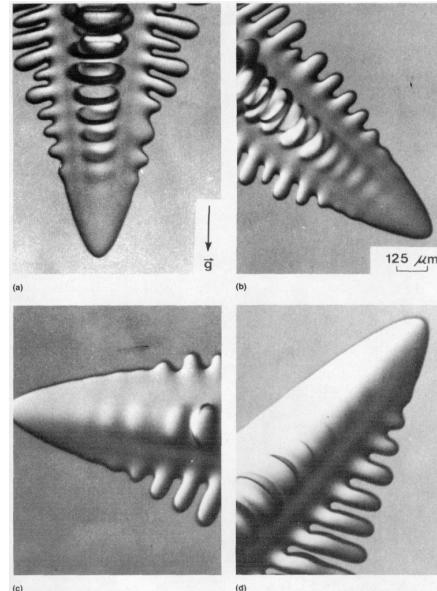

Examples of non-faceted growth morphologies

Non-faceted growth of SCN dendrites

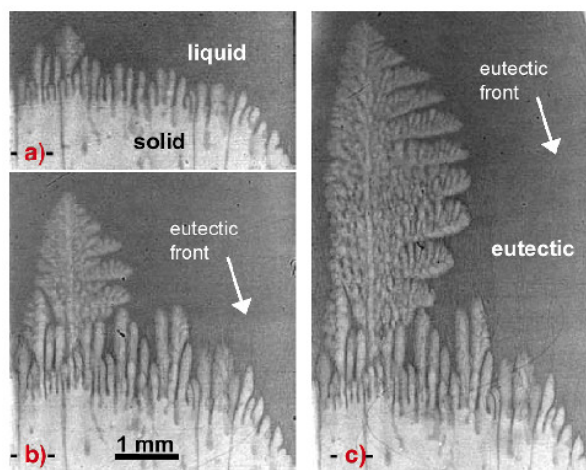

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

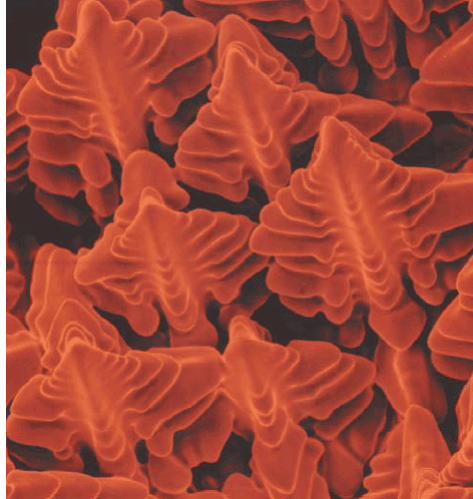

Examples of non-faceted growth morphologies

Non-faceted growth of dendrites in an Al-3.5Ni alloy

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

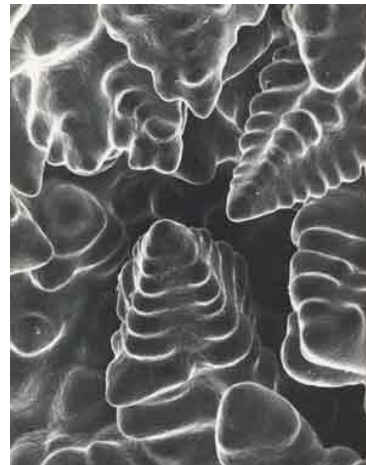

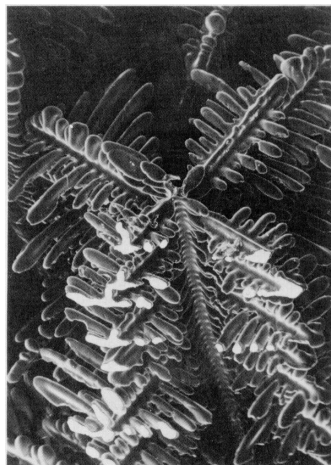

Examples of non-faceted growth morphologies

Non-faceted dendrites in a nickel-based super alloy single-crystal weld

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

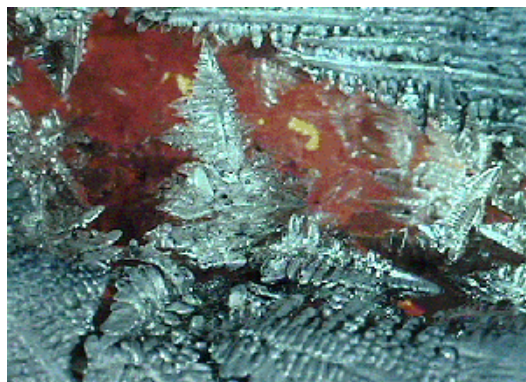

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of non-faceted growth morphologies

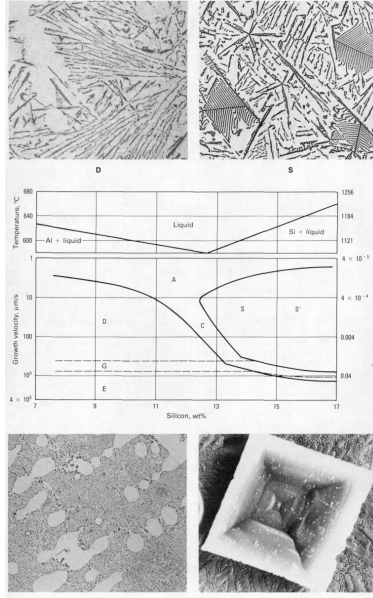

Ag dendrites

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

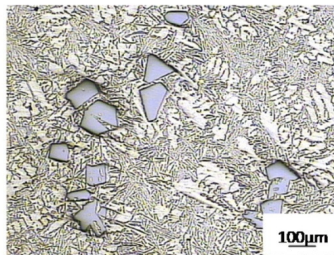

Examples of FACETED growth morphologies

Al-Si System

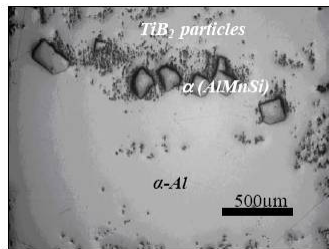

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

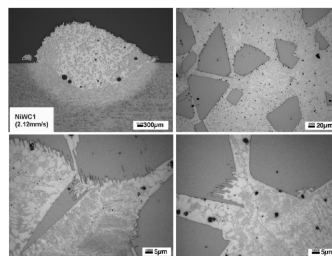

Examples of faceted growth morphologies

Faceted primary Si in an Al-Si alloy

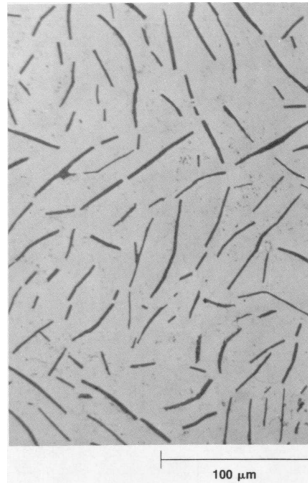

Faceted TiB₂ crystals in an Al alloy

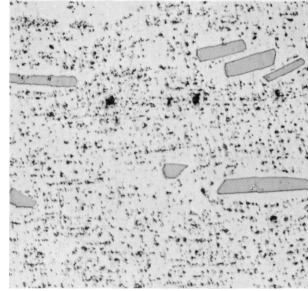

NiWC in a laser surface alloyed sample

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of faceted growth morphologies

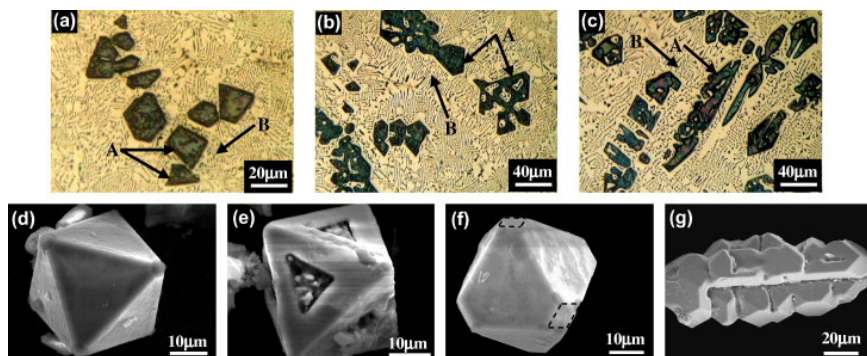

Graphite flake in Cast Iron

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

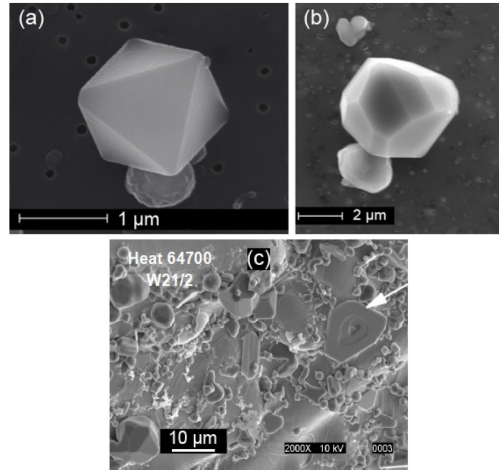

Examples of faceted growth morphologies

Faceted primary Mg_2Si particles in an Al-Si-Mg alloy

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

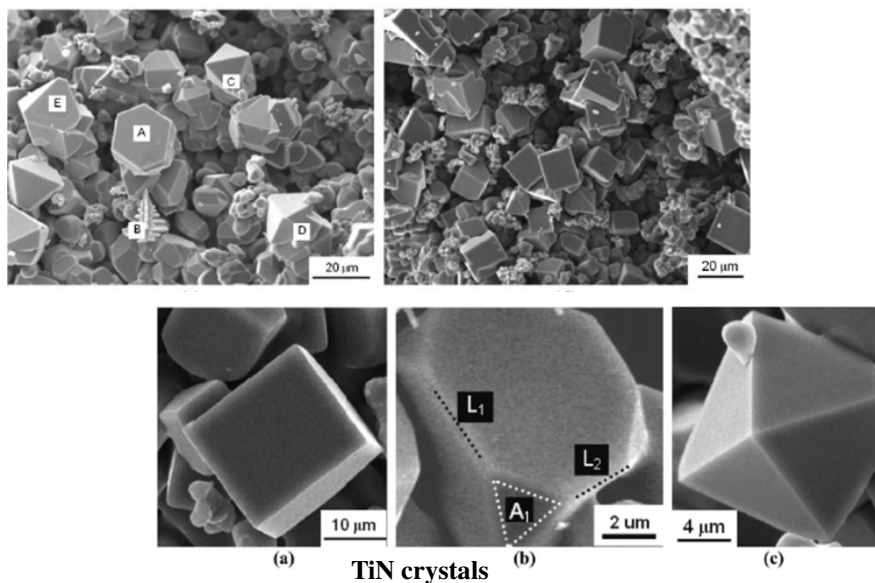

Examples of faceted growth morphologies

Faceted Al₂O₃ inclusion (a) octahedral, (b) non-octahedral and (c) hopper morphologies (indicated by the arrow)

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

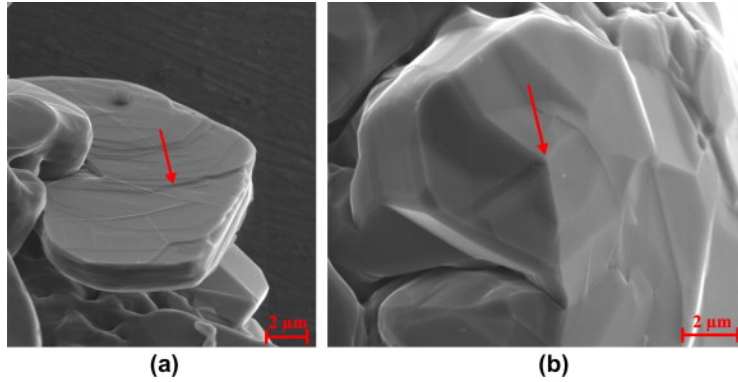

Examples of faceted growth morphologies

TiN crystals

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

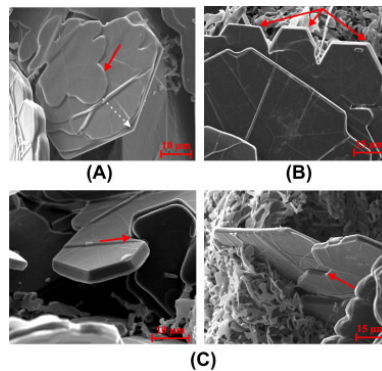

Examples of faceted growth morphologies

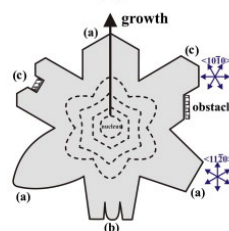

**Faceted growth of graphite basal plane by
(a) 2-D nucleation and migration of ledges and
(b) spiral growth**

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of faceted-growth morphologies

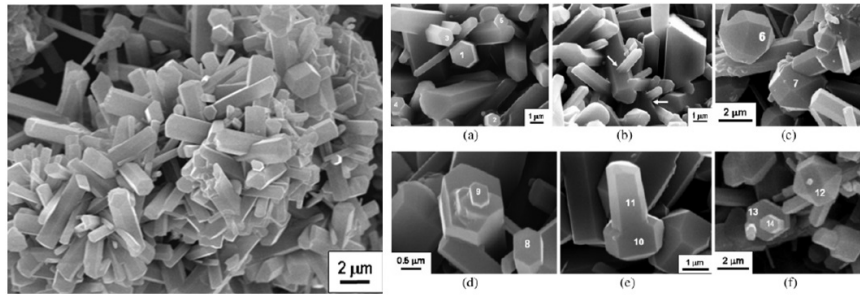

Growth instabilities of faceted graphite flakes: (a) instabilities of growth in the crystal corners, (b) flake branching and (c) growth blockage

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

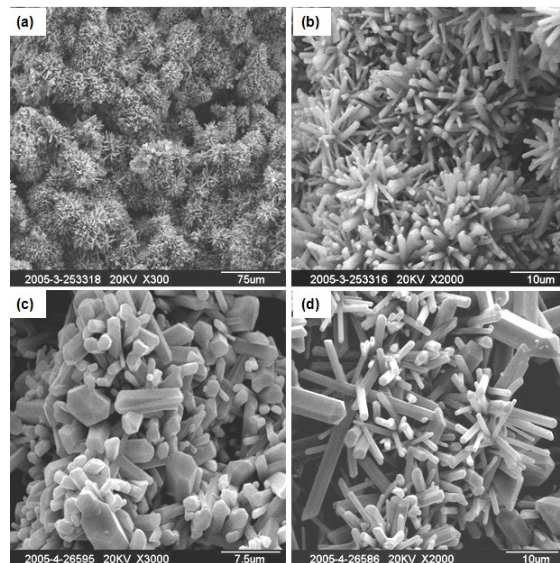

Examples of faceted growth morphologies

Alpha-SiAlON

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

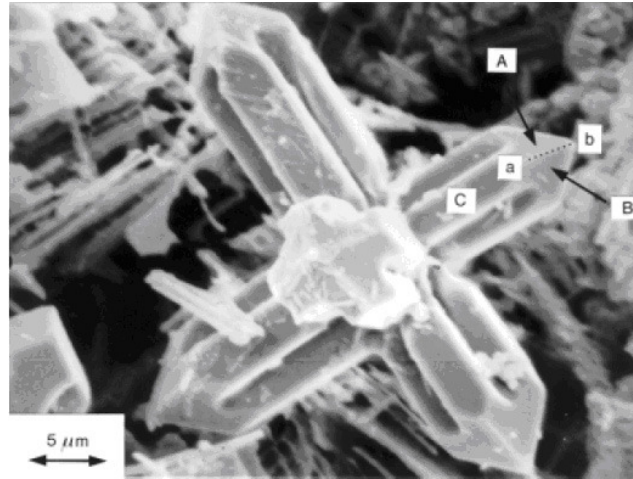

Examples of faceted growth morphologies

Alpha-SiAlON dendrites

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

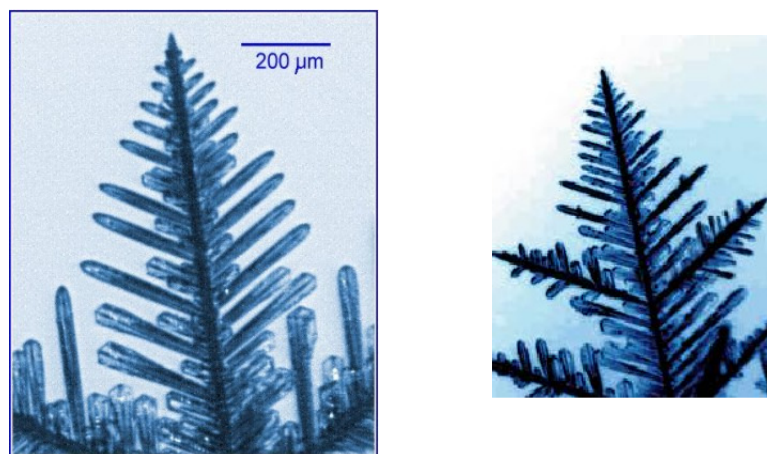

Examples of faceted growth morphologies

Faceted NbC dendrite in a Fe-34wt%Cr-5wt%Nb-4.5wt%C alloy

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

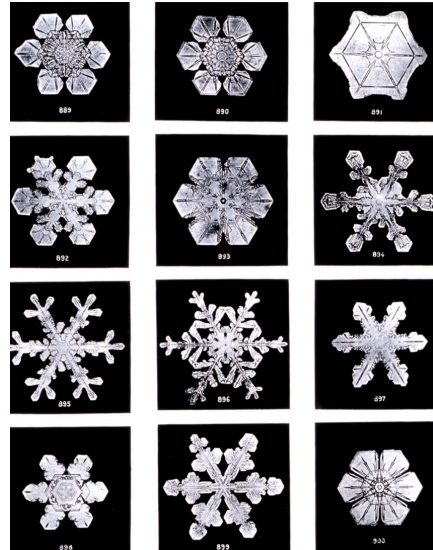

Examples of faceted growth morphologies

Faceted ice dendrite formation

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

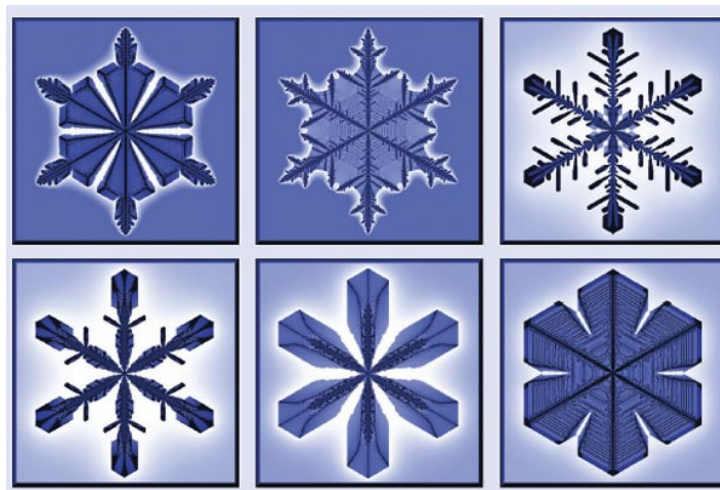

Examples of faceted growth morphologies

Faceted snowflake

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

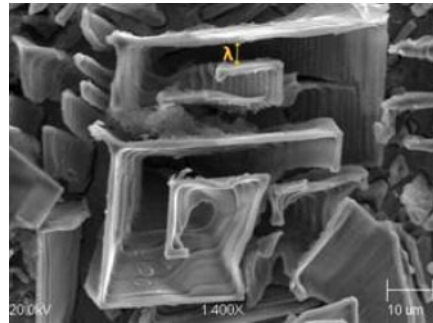

Examples of faceted growth morphologies

Faceted snowflake

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

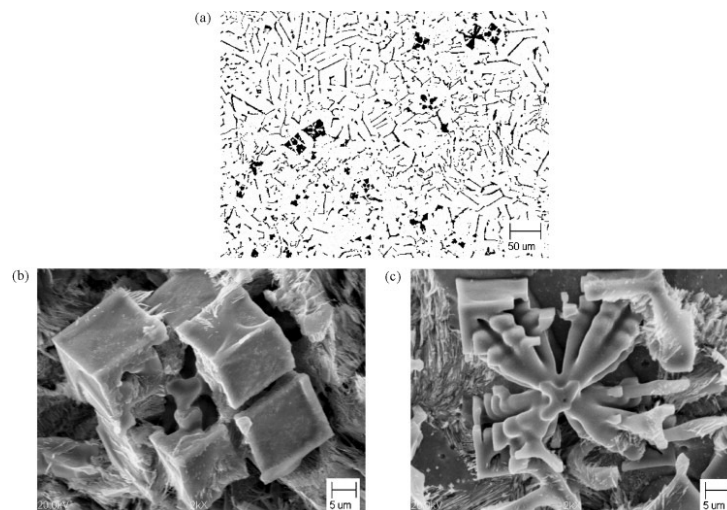

Examples of faceted growth morphologies

SEM micrograph of an eutectic Fe-C-V-Si alloy showing overlapping of VC_x carbide spiral segments

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of faceted growth morphologies

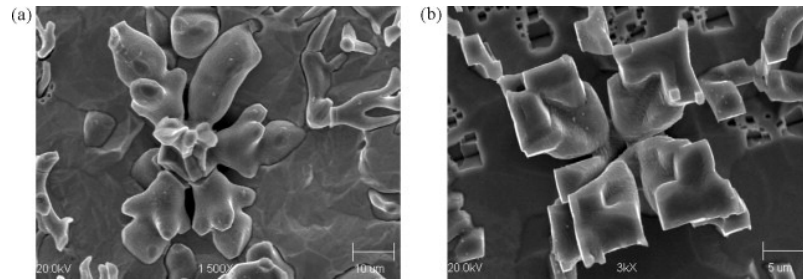

(a) Hypereutectic Fe-C-V-Si alloy

(b, c) Primary non-faceted/faceted VC_x dendrites

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN

Examples of faceted growth morphologies

(a) Non-faceted and (b) non-faceted/faceted interfaces corresponding to primary VC

Advanced Solidification Processing, 2015-16/1 Semester, IUT, IRAN
